

Children's Museum

The Arc of Buffalo County

The 1st Thursday of every month from 6:00-8:00 pm for children with physical and developmental delays/disabilities and their siblings are invited to a special time of discovery, creativity, and wonder at Kearney Area Children's Museum.

This event is for children with physical or developmental disabilities ages 2-12 and siblings ages 2-10. This is a free time with minimum structure. If your child does not do well in these environments you may want to consider sending staff or an older sibling to help or an alternative activity for your child.

Preregistration is required! Due to the limited funds available and staff availability we can only provide supervision for the first 25 children to be registered. If you wish for your children to attend these nights you must return the registration form below and the completed child information form to the Arc of Buffalo County, 4511 6th Ave. Ste. 204, Kearney, NE 68845. **Mail your form as soon possible, slots will be filled in order of receipt of registration.**

If you register for a respite night but are unable to attend please notify the Arc at 308-237-4343 as soon as possible to allow other families the chance to attend. **Walk-ins will not be accepted**, so RSVP ASAP. Families who do not follow respite rules (i.e. picking up children by 8 pm) will be moved to wait list for future respite. Families who are not registered and show up for respite will be turned away. A staff member will confirm your registration.

Please bring a change of clothes in case of any accidents!
